

**Ready to serve Pancakes**

## **the Pancake without a pan...**

**Pancakes have always been a delicious treat for the whole family. As a snack, for breakfast or as a delicious dessert, pancakes can be served at any time.**

**With our selection of ready to eat pancakes we can offer pancakes in just a few minutes, without the fuss of making the batter and then baking the pancakes one by one. Delicious and convenient, ready to serve in 2 minutes, with or without filling, normal sized and in mini, - our range of pancake products offers a favorite for everyone.**

**Premium Pancakes, 8 pancakes per tray - Natural and Sweet**

**Ready to serve Pancakes**

***The secret of our successful recipe is as simple as it is traditional...***

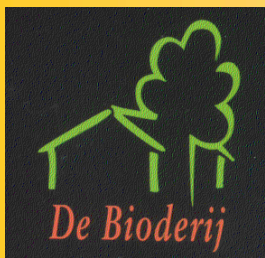

***We use natural ingredients, with only the least possible additives, and we stick to the time-honored, traditional way of preparing pancakes. Today, there's only one major difference. And that's our thoroughly non-traditional production rate. We can produce under private label and customize our packaging to your wishes.***

***Pancakes, private label in flow pack – Fresh and Frozen***

***Product range Brand "Ma Raeburn's" for British supermarket chain***

**Ready to serve Pancakes**

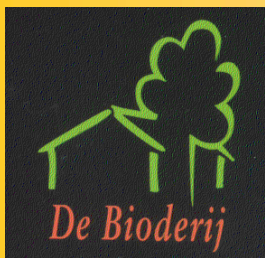

***Our original American Pancakes are perfect to have for breakfast. Just a few minutes in the microwave or toaster, delicious with sugar, chocolate sauce, jam or syrup. Also wonderful as a snack or for lunch.***

**American Pancakes, 6 pancakes per tray**

***For a complete (lunch) meal we can offer our selection of Premium pancakes, with a cheese or bacon topping. Just add a bit of butter to the heated pancake and enjoy your quick and delicious meal!***

**Premium Pancakes with Bacon or Cheese in exclusive packaging, 4 pieces per tray**

**Ready to serve Pancakes**

**Our small Egg Pancakes are excellent for a lazy Sunday Brunch with friends and family. Served with a topping of cream cheese and smoked salmon they are as tasteful as they look!**

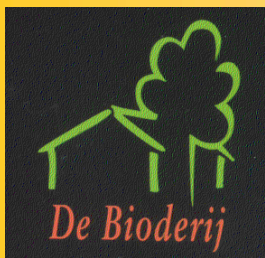

**Brunch Egg-pancakes, 20 pieces per tray**

**Kids (and adults too!) will love these mini pancakes. With a bit of butter and lots of icing sugar there will be a small party at the table. And remember, the mini pancakes just take 30 seconds per serving in the microwave.**

**Forget the fuss and enjoy the happy faces!**

**Mini pancakes, 36 pieces per tray**

**Ready to serve Pancakes**

*Filled pancakes, 4 pieces per tray*

***Our selection of filled pancakes with ham-cheese, apple, yellow cream or chocolate taste excellent. As a snack or small lunch, the ham-cheese pancake will satisfy your savory appetite. The filled pancakes with apple, yellow cream or chocolate will make a great appearance presented as a dessert.***

*Example Retail shelf, Galeries Lafayette, France*

***No fuss. No smells. No colouring agents. Sounds like, and is, the perfect pancake. The Boderij makes them for you. All natural. Ready to eat. Just pop them in the microwave or oven.***

***Enjoy!-***
